

Think all small business insurance is cut from the same cloth?

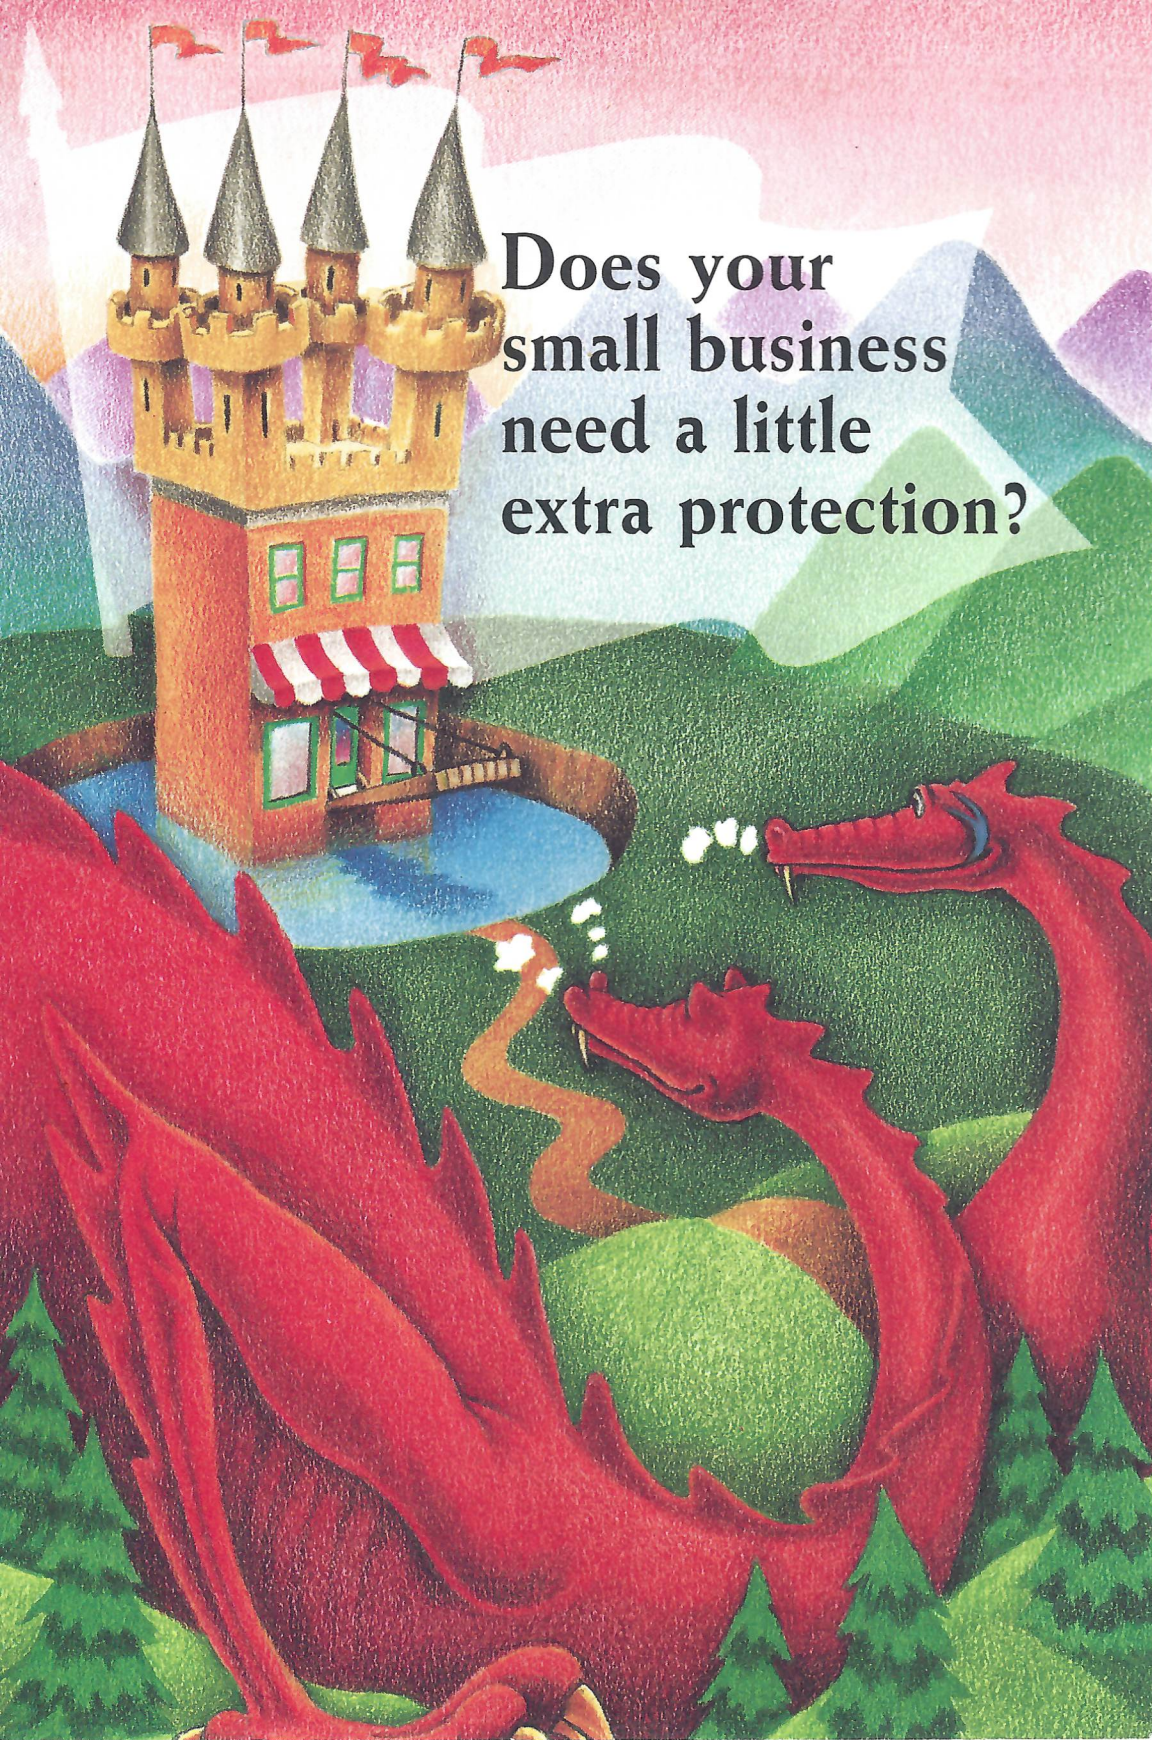

Our program is tailor-made for your small business.

Your business is like no other. So why settle for off-the-rack insurance protection?

You don't have to with our agency. We're small business insurance experts, and we've partnered with The Hartford, one of the country's leading insurers, to deliver insurance coverage that's tailor-made for your business. The Hartford's SPECTRUM small business program has insurance plans specially fitted for more than 700 types of businesses, so there's one designed for your business.

Call our agency to find out more about SPECTRUM, the insurance program that's the right style for your business.

**Does your
small business
need a little
extra protection?**

With us, you get coverage fit for royalty.

When it comes to insurance for your business, you want the royal treatment.

Our agency can help you find the best protection at a fair price, including coverage you may not even know you need such as advertising injury and employee dishonesty.

We're experts in small business insurance, so you don't have to be. We understand the challenges you face in your day-to-day operations, and we've partnered with The Hartford to provide large-scale protection for small businesses. One of the country's leading insurers, The Hartford offers insurance plans customized to address the specific risks facing each industry, including yours.

Take a few minutes to talk with us about small business insurance that's fit for a king.

Does your small
business insurance
have you feeling a
little exposed?

Our insurance offers you extra coverage.

In today's marketplace, you need more than the bare essentials to properly protect your small business. You need insurance coverage that fits like a second skin. And we're the agency to help you find it.

Partnering with The Hartford, one of the country's leading insurers, we specialize in protecting small businesses. We'll help you assess your operations and find the right coverages to safeguard your property, equipment, staff and products. The Hartford tailors insurance programs to fit the specific concerns of each industry, so you'll know your coverage meets your needs.
